### ***RANGE SAFETY***

Shooting Safety should always be a primary focus and is the responsibility of each club member. While many of us have years of experience handling firearms, anyone can make a mistake. Please remember to adhere to basic firearms safety.

1. Always keep the muzzle pointed in a safe direction
2. Assume the firearm is loaded.
3. Keep your finger away from the trigger until ready to shoot.
4. Wear ear and eye protection at all times
5. Ensure a safe backstop

We would encourage everyone to take the time to review the NTSA range rules and remain aware of your fellow shooters while engaged in the use of our facilities. Let's enjoy our sport and remain safe.

### ***Rifle Chairman Report – Bill Whitener***

The club continues to provide monthly Benchrest matches which rotate between 100 and 200 yards. We have added an additional SCORE sanctioned match with the IBS this year. See the web site calendar for match dates and join us – any type rifle is welcome for the club matches and everyone is willing to provide help for the new shooters.

### ***Trap Chairman Report – Frank Hughes***

Trap matches are in full swing with the BIG 50 every other Tuesday afternoon and the monthly club shoots on 2<sup>nd</sup> Saturday. See the web site for schedule.

### ***Pistol Chairman Report – Larry Erbskorn***

With the berm work completed we now have facilities which provide us access to target ranges from 5 to 50 yards. Club pistol matches are held monthly as are carbine rifle. Come join the fun.

### ***Skeet Chairman Report – Sam Voss***

Club skeet matches are held the 3<sup>rd</sup> Saturday of each month. No tournament pressure and any shotgun that will hold 2 rounds are legal!

The pistol berms have been redesigned and provided us the ability to accommodate a variety of shooting styles. The enhancements also allow a larger number of shooters while providing adequate space for action shoots. We are also now allowing access to metal targets for those who follow the qualification process. Please review the Range Rules for any changes and additional information. Enjoy our new facility.
